

Jabra Evolve 65 MS Mono

How do I pair my Jabra Evolve 65 with my mobile device?

To pair your Jabra Evolve 65 with your smartphone, tablet, or other handheld mobile device, follow these steps.

1. Turn on the Bluetooth setting on your mobile device.
2. To enter pairing mode, hold (3 seconds) the **On/off/pairing** switch in the Bluetooth position until the LED flashes blue. Alternatively, wear the headset to hear the pairing instructions.

The headset is now ready to pair with your mobile device.

3. To pair, go to the Bluetooth menu on your mobile device and select the Jabra Evolve 65 from the list of available devices.
Enter "0000" (4 zeros) if you are asked for a pin code.

Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, [see here](#).

Optionally, try using the [Bluetooth Pairing Guide](#) which provides detailed steps for pairing with a mobile device.
