

## Jabra Evolve 65 SE MS Mono

### How do I manually reset my Jabra Evolve 65 headset to the default settings?

When you reset your Jabra Evolve 65, previously paired devices and settings will be cleared.

To reset, simultaneously press and hold (5 seconds) the **Multi-function** button and the **Volume up** button until the LED blinks green 5 times indicating the reset is complete.

#### Note

After resetting you must re-pair your Jabra Evolve 65 with your Bluetooth devices, including the Jabra Link Bluetooth adapter.
