# Jabra Evolve 75 SE - UC Stereo

How do I connect my Jabra Evolve headset with my computer?

To connect your Jabra Evolve headset with your computer, use the supplied Jabra Link Bluetooth adapter. The Bluetooth adapter is a plug-and-play device that plugs into a USB port on a computer and enables a Bluetooth connection between the computer and the headset.

Use the following steps to connect your Jabra device with your computer.

1. Plug the Jabra Link into a USB port on your computer.

2. Turn on your Jabra headset.
3. Go to the sound settings for your computer, and select the Jabra Link as the output and input device.
4. Your headset is now ready to use.
