

Jabra Speak2 75 - UC - Link 390a, Dark Grey

What is the battery life of the Jabra Speak2 75?

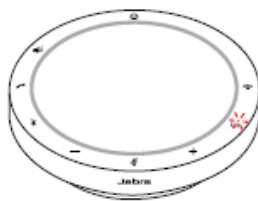

The expected battery life is up to 32 hours of wireless use.

To view the current battery status, tap the **Battery status** button. The LED ring will light up and flash to indicate the status. When the battery is critically low, the LED next to the **Battery status** button will flash red.

Medium battery

Critically low battery

Note

To preserve battery while it is unplugged, the speakerphone will automatically turn off if it has not been connected to a Bluetooth device for 15 minutes. If it is connected to a Bluetooth device and not plugged into a power supply, the speakerphone will automatically turn off after 8 hours of no interaction. The **Automatic power off** setting can be configured in Jabra Direct or Jabra Sound+.
