

Jabra Speak2 55 MS Teams, Dark Grey

What is the battery life of the Jabra Speak2 55?

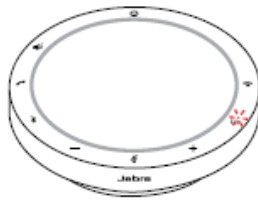

The expected battery life is up to 12 hours of talk time.

To view the current battery status, tap the **Battery status** button. The LED ring will light up and flash to indicate the status. When the battery is critically low, the LED next to the **Battery status** button will flash red.

Medium battery

Critically low battery

Note

To preserve battery the speakerphone will automatically turn off if it has not been connected with a Bluetooth device for 15 minutes. If it is connected with a Bluetooth device and not plugged into a power supply, the speakerphone will automatically turn off after 8 hours of no interaction.
