

# Jabra Perform 45

## How do I pair my Jabra Perform 45 with my mobile device?

To pair your Jabra Perform 45 with your smartphone, tablet, or other mobile device, follow these steps.

1. Turn on the Bluetooth setting on your mobile device.
2. Ensure your headset is turned off by pressing and holding the Multi-function button (3 seconds) until the LED flashes red. “Power off” will be announced in the headset.
3. To enter pairing mode, press and hold the Multi-function button (6 seconds) until the LED flashes red and blue. If you are wearing the headset, “Pair mode” will be announced.

The headset is now ready to pair with your mobile device.

4. Go to the Bluetooth menu on your phone and select the Jabra Perform 45 from the list of available devices.

### Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, see [here](#).

Optionally, try using the [Bluetooth Pairing Guide](#) which provides detailed steps for pairing with your mobile device.
