

# Jabra Enhance Plus - Gold Beige

## Where can I find the serial numbers for my Jabra Enhance Plus?

The serial number for your complete Jabra Enhance Plus kit is located on the right side of the packaging label with the bar codes next to the letters SN.

The serial number for the charging case is printed on the bottom of the charger above the bar code.

Serial numbers for each earbud are printed on the back of the earbud. You can also find them in the Jabra Enhance app by following these steps.

1. Ensure your earbuds are connected to your iOS device.
2. Open the Jabra Enhance app.
3. Tap the menu icon in the top right corner.
4. Tap About > Earbuds info. The serial numbers for both connected earbuds are displayed.
