

Jabra Elite 10 - Titanium Black

How do I turn on/off my Jabra earbuds?

To turn on your earbuds, remove them from the charging case. To turn off the earbuds, place them in the charging case.

Alternatively, to manually turn on each earbud individually, press and hold (2 seconds) the **Left** or **Right** buttons until you hear a tone notification in the earbuds. To turn off the earbuds, simultaneously press the **Left** and **Right** buttons.
