

Jabra Engage 65 SE - Stereo

How long does it take to charge my Jabra Engage?

It takes approximately 1.5 hours to fully charge your headset. 30 minutes of charging gives 40% battery capacity.

The headset will charge when it is docked in a base that is connected to a power supply. The battery LED on the headset and the battery icon on the base will flash to indicate the headset is charging.

The stereo and mono headset have up to 13 hours of battery, and the convertible headset has up to 9 hours of battery.
