Jabra GN

Jabra Link 350 USB Adapter

How do I pair my Jabra Go 6430 with my Jabra Link 350?

Use the following steps:

1. Make sure your Jabra Go 6430 is charged and in pairing mode.
2. Connect your Jabra Link 350 to your PC, and then press and hold the **Adapter** button until the LED turns blue.

See the section "Pairing the Adapter and Headset" in the User Manual for more information.
