

# Jabra Pro 920 Mono

## How to connect my Jabra Pro 92x with Aastra Office 70 and 80 or Aastra 5370 and 5380

### Prerequisite:

Jabra Pro 92x + Jabra Link 14201-10

In combination with one of the following phones:

- Office 70 / 70 IP or 5370 IP
- Office 80 / 80 IP or 5380 IP

### Connection:

1. Plug the 1-sided end of the DHSG cable marked blue into the socket of the phone marked with a “headset” symbol.
2. Plug the other end of the cable into the sockets marked with a “phone” and "AUX".

Now you can setup the headset for your phone with the automatic or manual configuration.

### Automatic configuration:

To start the automatic configuration, please let someone call you on this phone; wait at least 10 seconds before you pick up the phone. Now the appropriate EHS mode should be set up.

If the automatic configuration does not work, please manually select the DHSG mode. (See manual)

**Base setup:**

Set the phone setup switch to the "A" position.

**Microphone level setting:**

Put on the headset and call a colleague, for example.

Now you can select the desired microphone volume using the +/- button.

**Phone setup:**

Menu> Settings> Phone Settings> Headset> Headset ON

from Release 7.9: Menu> Settings> Audio> Headset> Headset ON
