

# Jabra Pro 930 Duo

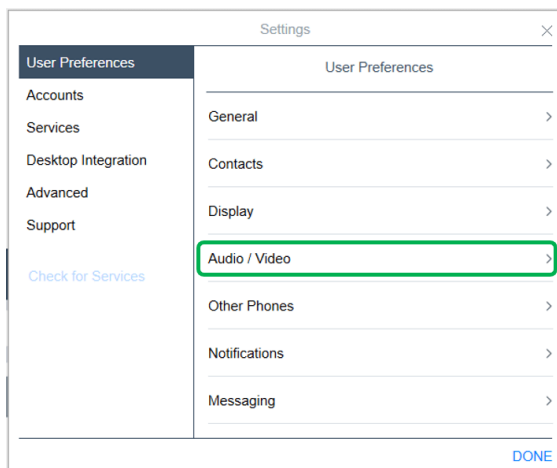

## How do I set up my Jabra device to work with Avaya Equinox/IX Workplace?

To select your Jabra device for use with Avaya Equinox or Avaya IX Workplace, follow these steps.

1. Click the Settings icon at the top right corner of the Avaya window.

2. Click **User Preferences**, then **Audio / Video**.

3. In **Audio / Video**, select your Jabra device under all three options (Microphone, Sound, and Ringtone).

If you are using a Jabra device with a connected Link adapter, select the Link adapter.
