

Jabra Pro 935 Dual Connectivity for MS

What does it mean that my Jabra device is Zoom certified?

Prerequisites

- [Jabra Direct](#)

A Zoom certified Jabra device has been tested against all the Zoom desktop client functions, such as online meetings, video and calls and meets the technical and acoustic requirements set by Zoom. In addition, using a Zoom certified device in combination with Jabra Direct will improve your experience if you are also using other softphones.

Click **Applicable products** below to expand and view the list of Zoom certified Jabra devices.

Note

Zoom certified devices are not tested against the Zoom mobile app. For details about the certification requirements, please refer to the [Zoom certification web page](#).
