

Jabra Speak 410

What is the pickup range of the microphone for the Jabra Speak 410 and 510 Series?

The Jabra Speak 410 or 510 includes a powerful speaker and a built-in 360° omni-directional microphone, which has an audio pickup range of 1-2 meters from any angle. It provides crystal-clear audio with wideband sound quality based on advanced Digital Signal Processing.
