# Jabra UC Voice 150 Duo

## How do I set up my Jabra device to work with Cisco Jabber?

To select your Jabra device for use with Cisco Jabber, follow these steps.

1. Click on your profile picture at the top left corner of the Cisco Jabber window.

2. Click **Settings**, then **Audio**.

3. In **Audio**, select your Jabra device under all three options (Ringtone, Speaker, and Microphone).
   If you are using a Jabra device with a connected Link adapter, select the Link adapter.

**Note**
