Jabra Clipper White

How do I pair my Jabra headset with my mobile device?

To pair your Jabra headset with your smartphone, tablet, or other mobile device, follow these steps.

1. Turn on the Bluetooth setting on your mobile device.
2. Turn off your headset.
3. To enter pairing mode, press and hold the **Answer/end** button on your headset until the light turns blue.
4. To pair, go to the Bluetooth menu on your mobile device and select the Jabra headset from the list of available devices.
    Enter "0000" (four zeros) if you are asked for a pin code.

Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, see here.

Optionally, try using the Bluetooth Pairing Guide which provides detailed steps for pairing with a mobile device.
