

Jabra Elite Sport (Original)

What do I need to know about the new charging case that I purchased?

Before using the charging case with the Jabra Elite Sport earbuds, allow the charging case to charge for at least 20 minutes.

The first time you place the Jabra Elite Sport earbuds in the charging case and close the lid, it may flash purple for several minutes. This indicates that the Jabra Elite Sport earbuds are updating the firmware of the charging case to match the earbuds. Do not open the lid until the purple flashing stops.
