

Jabra Elite Sport (Original)

How do I turn off Bluetooth Smart on my Jabra Elite Sport?

To turn off Bluetooth Smart, follow these steps:

1. Turn on your Jabra Elite Sport.
2. On the right earbud, press and hold the **Sports** button (approximately 10 seconds) until “Bluetooth Smart off” is announced.

3. To turn on Bluetooth Smart again, repeat steps 1 and 2.

Note:

When you turn off Bluetooth Smart, you can use the heart rate monitor only with the Jabra Sport Life app, not with third-party apps.
