

Jabra Mini Outdoor Edition

How do I pair my Jabra Mini with my mobile device?

To pair your Jabra Mini with your smartphone, tablet, or other mobile device, follow these steps.

1. Turn on Bluetooth on your mobile device.
2. Turn on your Jabra Mini by sliding the **On/off** switch to the "on" position.

3. To enter pairing mode, press and hold (3 seconds) the **Answer/end** button until the Bluetooth light flashes blue.

4. To pair, go to the Bluetooth menu on your mobile device and select the Jabra Mini from the list of available devices.

Enter “0000” (four zeros) if you are asked for a pin code.

Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, [see here](#).

Optionally, try using the [Bluetooth Pairing Guide](#) which provides detailed steps for pairing with a mobile device.
