

Jabra Move Wireless Black

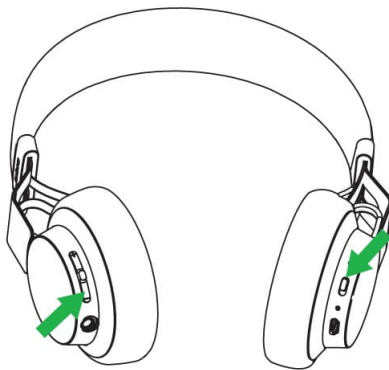

How do I manually turn off/on voice guidance on my Jabra Move?

Voice guidance is turned on by default on your Jabra Move.

To manually turn off/on voice guidance, follow these steps.

Turn off voice guidance

Turn off your headset by setting the **On/off/pairing** switch to the “off” position. Simultaneously press and hold the **Volume down** button, and turn on the headset by setting the **On/off/pairing** switch to the “on” position. The announcement “voice prompts off” will confirm the change.

Turn on voice guidance

Turn off your headset by setting the **On/off/pairing** switch to the “off” position. Simultaneously press and hold the **Volume up** button, and turn on the headset by setting the **On/off/pairing** switch to the “on” position. The announcement “voice prompts on” will confirm the change.
