

Jabra Revo Wireless

How do I reset my Jabra Revo Wireless?

When you reset your Jabra Revo Wireless, the list of devices that have been paired with it is cleared. Follow these steps to reset:

1. Turn on your Jabra Revo Wireless by setting the **On/off/pairing** switch to the “on” position.
2. Simultaneously press and hold (10 seconds) the **Jabra Sound** button and the **Multi-function** button. The Jabra Revo Wireless is now reset and is ready to pair again.

Note: When your Jabra Revo Wireless has been reset, you will need to re-pair it with your mobile phone. Remember to delete the previous pairing before you re-pair.
