

Jabra Solemate Red

How do I reset my Jabra Solemate?

When you reset your Jabra Solemate, the list of devices that have been paired with it is cleared. Follow these steps to reset:

1. While turning on your Jabra Solemate, simultaneously press and hold the **Answer/end** button and the **Volume +** button for 5 seconds until you hear “sound prompts on” and the start-up sound.

2. Your Jabra Solemate has now been reset. Turn off your Jabra Solemate.

Note: When your Jabra Solemate has been reset, you will need to re-pair it with your mobile phone. Remember to delete the previous pairing before you re-pair.
