

Jabra Stealth

How do I manually turn off/on voice guidance on my Jabra device?

Voice guidance is turned on, as the default setting, on your Jabra device.

To manually turn off/on voice guidance, follow these steps.

- Turn off your Jabra device by setting the On/off switch to the "off" position.
- 2. Press and hold the **Voice** button, while you turn on the headset by setting the **On/off** switch to the "on" position. A brief sound prompt will confirm the change.
