

# Jabra Steel

## How do I reset my Jabra Steel?

When you reset your Jabra Steel, the list of devices that have been paired with it is cleared. Follow these steps to reset:

1. Turn on your Jabra Steel.
2. Simultaneously press and hold (5 seconds) the **Answer/end** button and the **Voice** button.

3. Your Jabra Steel is now reset. When you turn it on again, it will be ready to pair.

Note: When your Jabra Steel has been reset, you will need to re-pair it with your mobile phone. Remember to delete the previous pairing before you re-pair.
