Jabra Storm

How do I manually turn off/on voice control on my Jabra Storm?

Voice control is turned on, as the default setting, on your Jabra Storm.

To manually turn off/on Voice control, follow these steps.

1. Turn on your Jabra Storm by setting the **On/off** switch to the "on" position.
2. Simultaneously press the **Answer/end** button and the **Volume down** button. A short sound prompt will be announced to confirm the change.
