

# Jabra Wave

## What do the LEDs on my Jabra Wave mean?

Here is an explanation of the LED colors and behaviors.

### **Bluetooth indicator**

Indicates whether your headset is paired with your phone.

- Solid light: headset is paired
- Flashing light: headset is in pairing mode and ready to be paired

### **Battery indicator**

Indicates the battery level and whether the headset is turned on.

- Green light: headset has more than 30 minutes of talk time remaining
- Red light: headset has less than 30 minutes of talk time remaining

Note: Use the Jabra StatusDisplay™ to get the status of the battery and Bluetooth connection, by tapping on any button when you are not on a call. To save battery, the Jabra StatusDisplay™ is turned off after 3 seconds.
