

Jabra Biz 1500 Mono QD

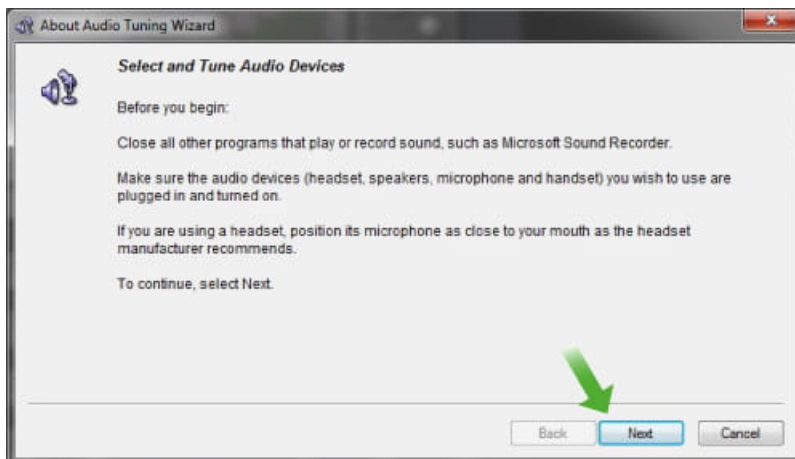

How do I set up my Jabra device to work with Cisco IP Communicator for Windows?

To select your Jabra device for use with Cisco IP Communicator, follow these steps.

1. Start Cisco IP Communicator.
2. Select **Menu**, and then select **Audio Tuning Wizard**.

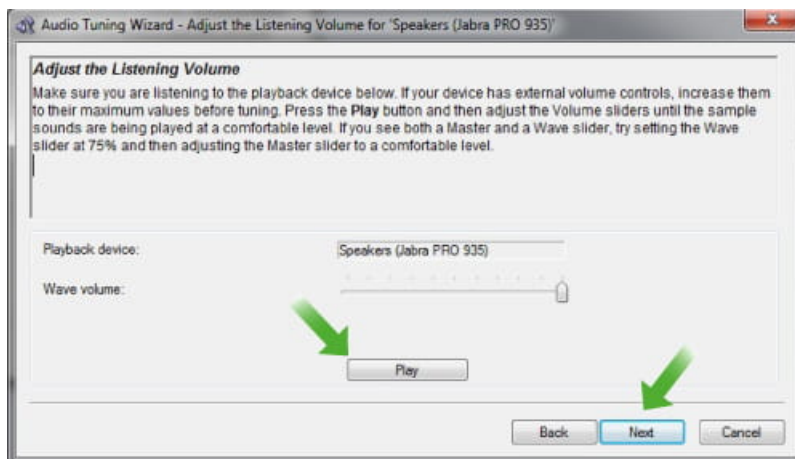

3. Click **Next** to start the wizard.

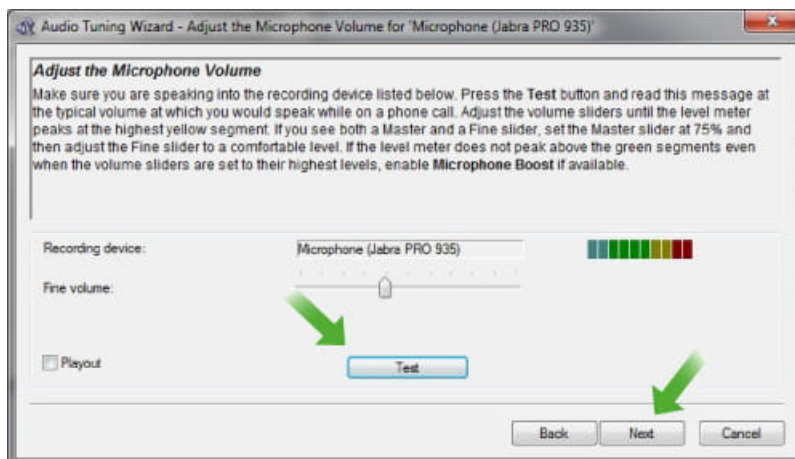

4. For each of the audio settings **Headset**, **Speakerphone**, **Handset**, and **Ringer**, select your Jabra device.

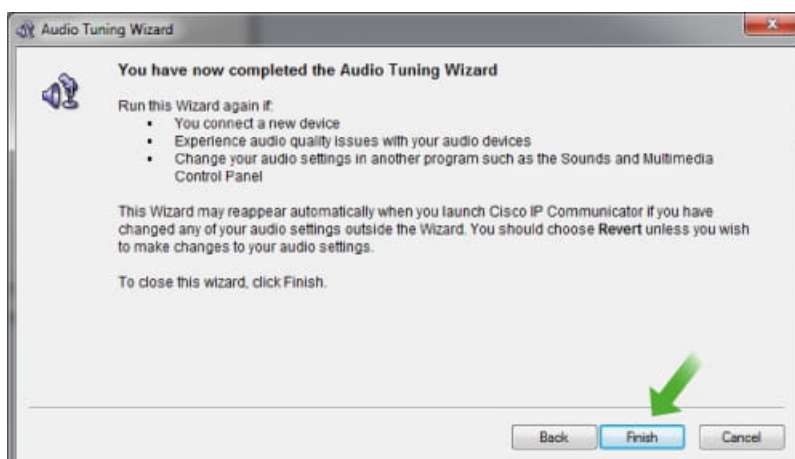

5. Click **Play** to test the listening volume.

6. Click **Test** to test the microphone volume.

7. Click **Finish**.
